

## Initiatives for CEOs and Boards

With execution skills honed from decades of operating experience, Vantage Associates-West, Inc. helps CEOs and Boards drive sustained and substantial improvement initiatives.

Our team has the knowledge to provide leadership and guidance to manage through a crisis, pursue opportunities, contend with executive turnover or drive strategic transactions.

In the most urgent situations, businesses need to stabilize their finances and improve their operations to preserve value. Working with management, investment bankers, lawyers, and other professionals, we help companies improve results.

### **Vantage Associates-West supports:**

- Corporate turnarounds, restructurings, and business transformations
- Operational improvement including identifying cost reduction and revenue enhancement opportunities
- Business plan development
- Contingency planning and analysis
- Advising on employee retention plan development
