

Vantage Associates-West, Inc. consults with successful clients in energy, manufacturing, financial and professional services to assist them in achieving and sustaining industry-leading performance in executive development and business results. By focusing on people dynamics as well as strategic planning and execution, Vantage consultants guide their clients through challenging business and professional transitions to define and achieve the best possible outcomes.

Vantage Creates Exceptional Value through Business and Executive Performance Consulting:

Strategy

Aligning executive leadership teams on their organization's future state and how to achieve it.

Executive Leadership Development - Consulting from Strategy

Guiding senior executives to operationalize a quantifiably higher level of strategy effectiveness.

Executive Project Leadership

Developing senior executives to achieve uncommon success – from inception to completion – as they lead projects and initiatives to be on-target, on-time and on-budget.

Conflict Resolution

Helping senior executives deal productively and positively with the inevitable conflicts and complexities of realizing organizational success.

Additional Consulting Areas with Significant Client Results and Successes:

Improvement Initiatives for CEOs and Boards

Helping CEOs and Boards drive substantial, metric-based and sustaining improvement initiatives.

Succession

Working with Boards and senior executives to increase the successes of their teams and organization before and through changes in leadership.

Corporate Turnarounds, Restructurings, and Business Transformations

Delivering immediate, material and quantifiable results during the most critical times.

Mergers and Acquisitions:

Assisting senior executives to quantify and operationalize their acquisition strategy.

Acquisition Due Diligence

Partnering with business teams to focus on the essential risks and opportunities in any transaction.

Acquisition Integration

Supporting senior executives to ensure the required return on investment is achieved.

Vantage Associates-West, Inc. consults exclusively with successful executives, professionals, and entrepreneurs who seek to continually improve themselves and their organizations in the areas of planning, execution, and leadership.
